HEALTH & SAFETY

Can all car drivers please ensure that there is always clear access to the front of the building in the event of an emergency vehicle needing to attend.

Please also ensure that the rear fire exit door is not blocked by parked cars.

Also, can we please request that hot drinks are consumed in the church hall and not brought into the main church building.

Your help in these matters is much appreciated.

From the rising of the sun
to its setting, the name of
the Lord is to be praised!
